**Re: Ms. Kings' 6th & 7th Grade ELA Classes and
7th Grade Advisory Class**

Greetings Sixth and Seventh grade parents/guardians and students,

Due to unexpected circumstances, Ms. King the sixth and seventh grade English Language Arts, and seventh grade Advisory teacher will be out on an indefinite medical leave. Her return date is unknown at this time.

As result, all students in Ms. Kings' ELA and Advisory classes will receive a passing grade in the form of a 'P' for the third marking period on their report card. We're happy to report that the Administrative Team found a suitable replacement teacher to assume Ms. Kings' responsibilities effective immediately.

Mr. Chapman will assume all instructional duties while Ms. King is on leave. In the coming days, Mr. Chapman will formally introduce himself by way of an introductory letter that will be back-packed home with your child.

As always, I am available if you have any questions. You may contact me by email @ mamos@schools.nyc.gov or by leaving a message with our Pupil Accounting Secretary Ms. Quiles at ext. 3124. Lastly, I ask that you please keep Ms. King in your thoughts.

Sincerely,

Melissa Amos

Assistant Principal

Pathways College Preparatory School (An Early College high school)
