Dear Pathways High School Parents/Guardians:

Happy New Year! Your child will be bringing home his/her updated transcript with their fall term final grades on Friday, January 27, 2017 at 1pm. Upon review of the transcript you will notice a few changes. We have updated the transcripts to reflect students correct grade level based on their number of credits accumulated. As stated in the Chancellor's Regulation of the New York City Department of Education, "Promotion decisions for students in grades 9-12 are based on credit accumulation, successful completion of course work, and passing of Regents exams."

The following chart will give some clarity to the credit breakdown and corresponding grade levels for every student enrolled in a NYCDOE school:

<b>Grade Level</b>	<b>Coursework/Exams</b>	<b>Minimum Credits</b>
<b>9</b>	Successful completion of standards in academic subject areas	<b>8 credits</b>
<b>10</b>	Successful completion of standards in academic subject areas	<b>20 credits (<i>Including 4 in English and/or ESL and 4 in social studies</i>)</b>
<b>11</b>	Successful completion of standards in academic subject areas	<b>30 credits</b>
<b>12</b>	Successful completion of standards in academic subject areas	<b>44 credits in required subject areas</b>

Based on this current update there may be some students who show a different grade level on their transcript. Our counselors, Mr. Shayuan Sealey and Ms. Heather Smith, will be happy to answer any questions you may have and go over your child's transcript with you. Please call to make an appointment at 718 454 4957 ext. 4270-Sealey or ext. 4260-Smith.

With this update, your child's program will also reflect changes for the spring term. Depending on his/her correct grade level their program may show additional courses needed for grade promotion. Also, programs will no longer have students traveling in A, B, or C sections. We will now have individualized programs reflecting each students' academic needs.

Pathways Proud!
